“Weingarten Rights”

Question: Who is Weingarten?

Answer: “Weingarten” is the name of a Supreme Court case - NLRB v. J. Weingarten, Inc. (1975) - that established the right of an employee to the presence of a union representative during an investigatory interview.

Question: What is an “investigatory interview”?

Answer: An investigatory interview, or Company interrogation, occurs when a supervisor questions an employee to obtain information which could be used as a basis for discipline, or asks an employee to defend his or her conduct. If an employee has a reasonable belief that discipline or other adverse consequences may result from what he or she says, the employee has a right to request union representation.

Question: What are the Weingarten Rules?

Answer: Under the Supreme Court’s Weingarten decision, when an investigatory interview occurs, the following rules apply:

RULE 1. The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.

RULE 2. After the employee makes the request, the employer must choose from among three options. The employer must either:

- a. Grant the request and delay questioning until the union representative arrives and has a chance to consult privately with the employee; or
- b. Deny the request and end the interview immediately;
- c. Give the employee a choice of: (1) having the interview without representation or (2) ending the interview.

RULE 3. If the employer denies the request for union representation and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The employer may not discipline the employee for such a refusal.

THIS AGREEMENT made and entered into this 8th day of May, 2004 is by and between ACME MARKETS, INC. (hereinafter referred to as the "Employer"), and United Food & Commercial Workers Union Local 56 (hereinafter referred to as the "Union").

W I T N E S S E T H

ARTICLE 1 - PURPOSE AND SCOPE OF THE AGREEMENT

SECTION 1.1 - PURPOSE OF AGREEMENT

It is the intent and purpose of the parties hereto that this agreement shall promote and improve economic relations between the Employer and its employees covered hereby and shall set forth the basic agreement covering the rates of pay, hours of work, and conditions of employment to be observed between the parties hereto.

SECTION 1.2 - SCOPE OF AGREEMENT

This agreement shall apply to the meat, poultry, fish, delicatessen and appetizing employees of the Employer coming within the jurisdiction of United Food & Commercial Workers Local Union 56, in all stores and markets of the Employer located in the area as described in identical maps, signed by each of the parties and on file in their respective offices, regardless of the name by which they are operated by the Employer, except for those markets which have heretofore been excluded, and are excluded under the terms of this Agreement or which are covered by other Labor Agreements (See Schedule "A").

SECTION 1.3 - MANAGEMENT RIGHTS

All rights and powers not expressly restricted or limited by the terms and conditions of this Agreement shall remain and be exercised at the sole discretion of the Employer.

SECTION 1.4 - HANDLING OF PRODUCTS

A. In stores which operate a meat department, only employees covered by this Agreement who are members of the Union as herein provided shall handle those meats, poultry, fish, delicatessen and appetizing products customarily sold in the aforementioned department whether fresh, frozen, smoked, cooked, cured, pickled, salted, cleaned and barbecued and in addition thereto those products set forth in Schedule "D".

B. Only employees covered by this Agreement will be engaged in the receiving of said products and all such products listed in paragraph "A" above will be cut, prepared, packaged, weighed, priced and sold on the premises; except, however, that where such items have customarily been prepared, packaged and priced off the premises by the Employer prior to January 6, 2002, such items shall continue to be handled by employees covered by the term of this Agreement.

C. Likewise all such products which have heretofore customarily come to the Employer already packed by the producer or distributor shall be handled as heretofore.

D. In consideration of Schedule "D" as of the effective date of this Agreement and in further consideration of future revisions being made, it being the intention of the parties to achieve greater productivity in the stores, the parties agree:

1. No member's job will be eliminated as a result of such revisions.

2. The Union will be notified in advance of any future revisions.

3. For the purpose of this paragraph, notified shall mean a letter for each individual introduction of a class of product (e.g. boneless sub primal cuts of meat, deveined liver, rolled veal, etc.)

Member shall mean full time employees on the payroll actively at work on January 1, 1995, or who are on leave of absence or who are sick or injured and return to work as elsewhere provided for in this Agreement.

Eliminated means removed from payroll or reduced to part time and is not intended to refer to the nature of the work being performed by the employee. Employees may continue to be transferred, assigned to other work, or laid off in accordance with the seniority provisions of this Agreement, provided the layoff is for reasons other than the introduction of new products and/or new methods.

The Union reiterates, therefore, its intention with respect to the "Products Clause", as follows: The Employer may introduce new methods and new products, i.e., (make revisions) provided it does the following:

(a) Union must be notified in advance. (b) Company will list all new products or new methods in a letter of notification. (c) Company will give written assurance that no member's job will be eliminated, in accordance with sub-paragraph 1.

If 1, 2, and 3 above are complied with, the Union will not withhold its agreement.

Nothing contained in this Section shall diminish the Union jurisdiction under Article I, Section 1.4 B, and C.

SECTION 1.5 - STAFFING OF THE MEAT DEPARTMENT

A. At least a journeyman or apprentice shall staff the meat department until 6:00p.m. (except Sunday) and a meat clerk until 9:00 p.m. on Thursday, Friday and Saturday. However, in the case of stores having only one employee in the meat department it shall not be necessary to staff the department during meal periods.

B. Personnel in the fresh meat departments shall consist of not more than thirty percent (30%) part time employees.

C. The staffing requirements set forth in this Section shall be waived for stores with an average weekly sales volume of \$200,000 or less.

D. Each meat department operated under the jurisdiction of this Union shall have a Chief Journeyman in charge. In the event that the Chief Journeyman, First Journeyman, or Chief Deli employee is absent from his or her duties because of illness or any other reason for more than two (2) days during any week, then his or her job shall be filled by a competent replacement and shall be compensated in accordance with the scheduled base pay for the job. No one shall suffer a reduction in pay because of his filling in on such replacement.

E. If any employee relieves another employee in a higher job classification or group than his own for more than two (2) days during any week, he shall receive the pay for the particular job for the exact number of hours of the week which he relieves that position.

F. However, in stores staffed by three (3) employees whose work week at straight time does not exceed one hundred and twenty (120) hours in any one week, and in those stores with fewer employees and hours, staffing may be by any member of the local union and the Employer may have the option to schedule the employees for a work week consisting of three (3) eight (8) hour days, one (1) ten (10) hour day and one (1) six (6) hour day. If the Employer decides to institute this schedule in any store where permitted under this formula, the Union shall be notified two (2) weeks in advance so that proper schedules may be mutually worked out. Failure to work out such a schedule precludes the use of the three (3) eight (8) hour days, one (1) ten (10) hour day and one (1) six (6) hour day schedule. It is also understood that replacements for employees absent shall not be deemed to be additional employees provided that the said 120 hours is not exceeded.

ARTICLE II - UNION STATUS

SECTION 2.1 - RECOGNITION

The Employer recognizes, and during the term of this Agreement, will continue to recognize and deal with the Union or its successors as the sole collective bargaining agent for all of the Employer's employees as herein set forth above in Section 1.2.

SECTION 2.2 - UNION SHOP

It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing and those who are not members on the effective date of this Agreement shall, on the thirty-first (31st) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement hired on or after its effective date shall, on the thirty-first (31st) day following the beginning of such employment, become and remain members in good standing in the Union.

SECTION 2.3 - NON-PAYMENT OF MEMBERSHIP DUES

The Employer further agrees to discharge any employee for non payment of uniform initiation fees and membership dues within seven (7) days after receiving written notice from the Union to do so.

SECTION 2.4 - DUES DEDUCTIONS

A. The checkoff will be carried on in accordance with past practices. The Union will supply standard cards authorizing the deduction of uniform initiation fees and dues which will be given to the employees on the first day of their employment with instructions to complete and return them.

B. Union agrees to indemnify and save the Employer harmless against any and all claims, demands, suits or liability that might arise out of or by reason of action taken or not taken in respect to the deduction of uniform initiation fees and dues made pursuant to the provisions of this Agreement.

C. Union agrees to waive uniform initiation fees for summer replacements in shore stores.

SECTION 2.5 - MANAGEMENT TRAINEES

A. Employer shall have the right to have manager trainees work in the meat department for a training period of up to three (3) months provided the Union is given advance notice.

1. Store Director Trainee shall not replace any member of the Union now employed.
2. Store Director Trainee is not to be in the store area manned by the above union, unless the chief journeyman or first journeyman to whom he was assigned is on duty.
3. Store Director Trainee is not to be on duty during overtime hours.
4. Store Director Trainee may do any operation normally done by the union members in the store.
5. It is understood that any violation of the rules of this union is cause for revocation of this referral card.

SECTION 2.6 - UNION ACTIVITIES DURING WORKING HOURS

A. The Union or its duly authorized representatives may, during working hours, have access to the employer's place of business covered by this Agreement, for the purpose of ascertaining whether or not the terms of this Agreement are being observed.

B. Any complaints and grievances may be discussed with the representatives of the employer during working hours. The union agrees, however, that such matters will not be discussed with store employees during their hours of employment.

C. The performance of union duties and union activities will not be carried on during hours of work.

SECTION 2.7 - NON-DISCRIMINATION

There shall be no discrimination by the Union or the Employer because of race, color, creed, national origin, sex or age, as provided by law; nor by the Employer against any employee because of union membership or activities.

ARTICLE III - WAGES

SECTION 3.1 - SCHEDULE OF WAGE CHANGES

During the term of this Agreement the Employer shall pay the wages and increases as outlined in Schedule B, hereto attached and made part of this Agreement.

SECTION 3.2 - JOB CLASSIFICATION AND RATES

A. All job classifications, rules and regulations governing employment and scale of minimum wages are set forth in Schedule B, hereto attached and made a part of this Agreement.

B. Any employee receiving a higher straight time rate than the minimum rate set forth in Schedule B for the particular group and classification, shall not have his or her wages reduced as a result of this Agreement, but the Employer agrees that any differential above the minimum which heretofore existed shall be continued.

SECTION 3.3 - SPECIFIC PAY DAY AND WAGE RECEIPT

Employees shall have a specific pay day and each employee shall be furnished a company receipt of pay specifying the employee's weekly gross earnings, basic rate of pay, straight time hours worked, overtime hours worked, premium pay hours worked and any and all deductions made from gross pay.

SECTION 3.4 - PAY FOR OCCUPATIONAL INJURY

Employees who sustain an occupational injury requiring treatment by a doctor shall suffer no loss in pay for the day that the injury occurs. If the doctor requires the employee to return for further treatment during the employee's regular scheduled work hours, the employee shall suffer no loss of pay for such time so spent.

SECTION 3.5 - PHYSICAL EXAMINATIONS

SECTION 3.6 - COMPANY MEETINGS

If employees are required to attend company-called meetings outside of his or her regular scheduled hours of work, such time spent attending such meetings shall be considered overtime hours of work and shall be compensated for at the overtime rate of pay.

ARTICLE IV - HOURS OF WORK

SECTION 4.1 - WORK WEEK

A. There shall be no split shifts or staggered hours nor shall employees be given time off in lieu of overtime or premium work.

B. The Employer and the Union agree that a proven violation of established time clock rules including working before punching in or after punching out may subject such an employee to disciplinary action up to and including discharge.

C. Furthermore, all time during which an employee is suffered or permitted to work or is required to be on duty or on the Employer's premises or at a given work place shall be considered hours worked and recorded on the time cards.

D. Employees called in for any unscheduled time, except as herein otherwise provided for, shall be guaranteed four (4) hours work or pay at the applicable rate.

SECTION 4.2 - SCHEDULE OF HOURS

A. FULL TIME:

1. The workweek (except as noted below) shall consist of five (5) days consisting of not less than eight (8) hours per day totaling forty (40) hours exclusive of meal periods. Full time employees may be scheduled one (1) day until 12:00 midnight at straight time. Any time worked before 5:00 a.m. (4:00 a.m. where business needs require) or after 6:00 p.m. on any other day or for more than eight (8) hours in any one day shall be compensated therefore at the overtime rate provided herein except as set forth in Schedule "B". Unless agreed to by the parties to the contrary, all premium hours shall be compensated at premium rates in addition to the straight time rate.

B. PART TIME

1. Part time employees, other than meat clerks, hired prior to March 8, 1987, may be scheduled to work, if available, not less than twenty (20) hours per week and/or four (4) hours per day. Within this schedule employees may be scheduled to work one (1) day to 12:00 midnight at straight time or by mutual agreement between the Union and the Company may be scheduled to work in excess of one evening at straight time. Any time worked before 5:00 a.m. (4:00 a.m. where business needs require) or after 6:00 p.m. shall be compensated therefore at the overtime rate provided herein except as set forth above. The union will notify the Employer in writing if any employee is not available for a minimum twenty (20) hour scheduled workweek.

When a part time employee is unable to complete his or her assigned schedule, another part time employee may be assigned the unworked portion of the schedule without obligating the Employer to provide the aforementioned minimum twenty (20) hour schedule.

2. Except as provided for in paragraph 1 above, part time employees in Group 1 shall be scheduled work, if available, not less than twenty (20) hours per week and four (4) hours per day and may work any number of nights to 12:00 midnight at straight time provided the day or night is not otherwise premium time.

3. Where practicable and possible within a store, the Employer shall endeavor to combine existing part time assignments so as to create as many full time forty (40) hour straight time jobs as possible.

SECTION 4.4 - WORK SCHEDULES

Weekly dated work schedules shall be posted in all stores without exception during the prior workweek no later than 6:00 p.m. Friday. In cases of failure to post schedules during the prior work week, the first night worked shall be the straight time night and any subsequent night shall be paid at the over time rate. In cases of store closing beyond the Employer's control, the weekly schedules as posted need not be observed. However an employee reporting for work on the day of closing shall be paid for the hours scheduled that day. SECTION 4.5 - OVERTIME

A. All time worked by full and part time employees outside of the specified daily hours, except as provided in Section 4.2 above, and all time worked by full time employees in excess of five (5) days or forty (40) hours shall be paid for at the overtime rate.

D. In the event any full time employee, and except as provided for in Article IV - Section 4.2 A.1, is required to work a second night beyond 6:00 p.m. unless prohibited by law, such employee shall be guaranteed a minimum of three (3) hours work at the overtime rate.

E. There shall be no pyramiding of overtime or premium pay. Hours worked at premium pay on Sunday and holidays shall not be included in the computation of overtime.

SECTION 4.6 - ROTATION OF OVERTIME

If not enough employees within the store agree to accept the Sunday assignments, then the least senior employee in the geographic locality in the classification required will be assigned. One full time employee is to be scheduled on Sunday for each our full time employees regularly in the department.

An employee called into work on Sunday shall be paid for a maximum of eight (8) hours but for not less than four (4) hours. Scheduled hours for employees other than set forth above shall be by mutual agreement between the Union and the Employer.

Work performed on Sunday shall be compensated as follows:

1. All part time employees on the payroll as of September 12, 1992 shall receive premium pay of time and one half the regular straight time hourly rate of pay.

2. All part time employees hired on or after September 13, 1992 shall receive the following premium.

Such rest periods shall be scheduled as near as possible to the middle of the work periods. All rest periods mentioned above shall be compensable time.

ARTICLE V - VACATIONS

SECTION 5.1 - VACATION BENEFIT

Each eligible employee shall be entitled to the vacation benefit set forth below. All new employees must complete a full year of employment by May 1st to qualify for a vacation during the first year.

Length of continuous on-the-job service	Full time employees	Part time Employees
One year or more but less than three (3) years	One (1) week	The number of weekly hours regularly scheduled

Three (3) years or more but less than eight (8) years	Two (2) weeks	Twice the number of weekly hours regularly scheduled
Eight (8) years or more but less than fourteen (14) years	Three (3) weeks	Thrice the number of weekly hours regularly scheduled
Fourteen (14) years or more but less than twenty (20) years.	Four (4) weeks	Four times the number of weekly hours regularly scheduled.
Twenty (20) years or more	Five (5) weeks	Five times the number of weekly hours regularly scheduled.

A. Any employee who has been in active employment for twelve (12) consecutive months or longer shall be entitled to receive vacation pay, upon termination of his employment, for all months and full years worked for which no vacation has been granted. Such monthly vacation pay shall be computed and paid on the basis of 1/12th weeks for each full month of service multiplied by the number of weeks vacation entitlement as determined on the prior May 1.

1. Employees who quit and fail to give at least one week notice prior to termination of employment with the Employer or who are discharged shall not be entitled to receive any one-twelfth (1/12th) shares of vacation.

2. Employees entering the US Armed Forces will be paid their earned pro-rata vacation grant through the last day of their final month of active employment.

3. In compliance with the Universal Military Training and Service Act, returning veterans who re-enter the Employer's service during the vacation period and within the time set forth in said Act, may, at the employees option, be paid one-twelfth (1/12th) of their annual vacation entitlement under Section A for each full month on the job during the vacation period; however, said months will be deducted from the vacation earned in that vacation year and may not be the basis for vacation during the following vacation period.

4. Veterans who re-enter the Employer's service after the final day of the vacation period will become eligible for their earned vacation grant during the following vacation period as qualified at the rate of one-twelfth (1/12th) of their annual vacation entitlement under Article V, Section 5.1 for each month on the job during the vacation year.

5. Continuous on the job service required to establish eligibility for the various lengths of vacation grants will include the period spent in the United States Armed forces by an employee who left a position, other than temporary, with the Employer; said period shall commence at the time the individual leaves the Employer's employ and terminate not later than ninety (90) days after discharge, the maximum period being five (5) years and ninety (90) days, provided the service in excess of four (4) years and ninety (90) days is at the request and for the convenience of the Federal Government (plus in each case any period of additional service imposed pursuant to law).

If one of the specified holidays agreed upon in Article VI, Section 6.1, except for the personal holidays, shall fall within the period of the full time employee's vacation, said full time employee shall, at the Employer's option, be granted an additional day's vacation or in lieu therefore the equivalent of one (1) full day's pay based upon the full time employee's regular straight time rate. This provision shall apply even though the holiday falls on a day of the workweek which would ordinarily be the day off for the full time employee.

Vacation benefits may not be carried over to the following vacation year.

Vacation shall be selected by the employee on the basis of company seniority within a store regardless of classification. Unless the business of the Employer directs otherwise, vacation grants up to and including two (2) weeks shall be taken in consecutive days during the vacation period beginning May 1st and ending on the Saturday nearest September 30th. The third, fourth, and fifth weeks may be scheduled at a time mutually convenient to employee and Employer. However, the Employer shall determine the number of employees within each classification within each store who may be on vacation at the same time. Employees eligible for three or more weeks of vacation may schedule one week of vacation in days. Such scheduling shall be in accordance with the provisions of this Article.

Any full time or part time employee who works thirty-nine (39) weeks or more in the vacation year and who loses time because of accident or proven illness shall be entitled to his vacation as provided for herein.

Any full time or part time employee with less than one year's service who is laid off shall retain his time worked as credit to qualify for vacation provided he retains seniority as stated in the contract for employees who are laid off and subsequently return to work.

6. Vacation selections will be granted on a seniority (length of continuous on-the-job) basis, so far as possible, preference as to dates being given in the order of length of such service. Vacation schedules must be so arranged as not to interfere with the regular and efficient conduct of the business of the Employer.

Unless the business of the Employer directs otherwise, vacation grants up to and including three (3) weeks will be taken in consecutive days within the vacation period. Selection shall be administered in accordance with #3 above.

7. All eligible employees absent from work due to on-the-job (Worker's Compensation) injury or due to non-occupational accident and sickness, for an accumulative period not to exceed thirteen (13) weeks within the vacation year will nevertheless be entitled to their vacation grant for that particle year. In the event of absence in excess of thirteen (13) weeks, employees will be entitled to thirteen fifty-seconds (13/52nds) of the annual vacation grant, plus an additional one fifty-second (1/52nds) for each full week actively on the job during the year.

8. All vacation pay shall be calculated on employee's basic straight time hourly rate.

9. Eligible employees who have changed from a part time to a regular full time basis, or

vice-versa, during the vacation year, will be entitled to a vacation grant consisting of the weekly credits earned for part time work and the monthly credits earned for full time work during such vacation year.

ARTICLE VI - HOLIDAYS

A. 1. All full time employees and part time employees who have completed sixty (60) days of service are entitled to the following holidays, provided they work the scheduled day before and the scheduled day after any such holiday, Sundays and designated days off excepted:

Memorial Day	Thanksgiving Day
Fourth of July	Christmas Day
Personal Holidays	

2. An employee who is absent from work on either the scheduled day before or the scheduled day after a holiday because of verified illness or accident shall be paid for one holiday which occurs during the period of his illness or accident. An employee, however, who receives holiday pay shall not be entitled to sickness or accident pay for that day.

3. Full time employees shall receive eight (8) hours pay for the above holidays. Part time employees with one or more years of service, regardless of whether they are normally scheduled to work on the day that the holiday falls, shall receive four (4) hours holiday pay.

Part time employees with less than one year of service shall receive four (4) hours holiday pay only if they are normally scheduled to work on the day on which the holiday falls.

4.a. Full time employees hired before March 12, 1989 shall be entitled to four (4) personal holidays each year after the completion of three (3) months of full time service. One personal holiday shall be taken in each three (3) month period of the calendar year. The personal holidays of the employee shall be scheduled at least one week in advance. Two of these holidays may be taken on any work day, the other two only on the first three (3) days of the week; except during weeks in which another holiday occurs and provided further that only one (1) employee per department may be permitted to take his or her personal holiday in any one week. Further, if the employee has not made his selection by March 1 for the first personal holiday, June 1 for the second, September 1, for the third and December 1 for the fourth, the Employer shall assign the personal holidays.

4.b. In addition to the aforementioned holidays, each full time employee hired before March 1, 1989, who has completed at least one year of continuous full time service, shall be entitled to a holiday on their birthday. In the event that the birthday falls on Sunday, they shall be entitled to the holiday on their next scheduled workday. In the event the employee's birthday occurs on one of the other specified holidays or on their scheduled day off, they shall be entitled to the holiday on the succeeding workday. The employee must notify the store director two (2) weeks in advance of their birthday. Any employee who fails to notify the store director two (2) weeks in advance of their birthday, and if they work on such day, they shall be paid straight time for the work on that day and granted another day off in lieu of that day within two (2) weeks.

5. Full time employees hired and upgraded to full time status after March 12, 1989 shall be entitled to three (3) personal holidays after the completion of one (1) year of service; one of which will be their birthday holiday.
